INTRODUCTION

This Trilogy of events comprises the Dark Emperor Shao Khan's final attempt at taking control of the Earth:

For nine generations, the Mortal Kombat tournament was ruled by the Outworld's finest Warrior, Prince Goro. It was agreed that if the Outworld could claim victory in 10 consecutive tournaments, it would then rule the Earth. With the Earth on the brink of destruction, a new generation of Warriors gathered and claimed victory.

With victory in hand, Warrior Monk, Liu Kang, had now become the new Mortal Kombat champion. But his victory was short lived. He and his colleagues were lured to the Outworld to compete in a second tournament.

But Liu Kang and his comrades discovered an evil deception. The Tournament was merely a diversion devised by the Dark Emperor, Shao Khan, to break the rules set forth by the Elder Gods. The Dark Emperor would witness the reincarnation of his former Queen, Sindel. This unholy act gave Shao Khan the power to step through the dimensional gates to reclaim his Queen and seize control of Earth. The final attempt is at hand....

PLAYING THE GAME

Make sure your game.com system is OFF. Insert the MORTAL KOMBAT TRILOGY cartridge into cartridge slot 1. Turn on game.com. Touch CARTRIDGE on the Main Menu Screen. After a brief animation, you'll find yourself at the main Mortal Kombat Trilogy screen. Here you'll have three choices: MORTAL KOMBAT, VS. KOMBAT and OPTIONS.

TOUCH HERE TO BEGIN THE BATTLE

On the main Mortal Kombat Trilogy screen, touch MORTAL KOMBAT. This will begin the one player game. The other options will be discussed later.

Next you will be taken to the Character Select screen. Here you will be able to choose which Mortal Kombat character you would like to fight as. Use the D-Pad to move the cursor to the different fighters. When you are happy with your choice, press the **"A"** button to lock in your choice.

THERE ARE 11 CHARCTERS FOR YOU TO CHOOSE FROM-OR ARE THERE MORE??

After you have selected your fighter, you will be transported to the Choose Your Destiny screen. Use the D-Pad to toggle between the columns. You may choose NOVICE, WARRIOR, MASTER or CHAMPION. When you are happy with your choice, press the **"A"** button to lock it in. Now the Tournament will begin. Remember: the future depends upon how well you fight!

CHOOSE YOUR DESTINY!

THE TOURNAMENT

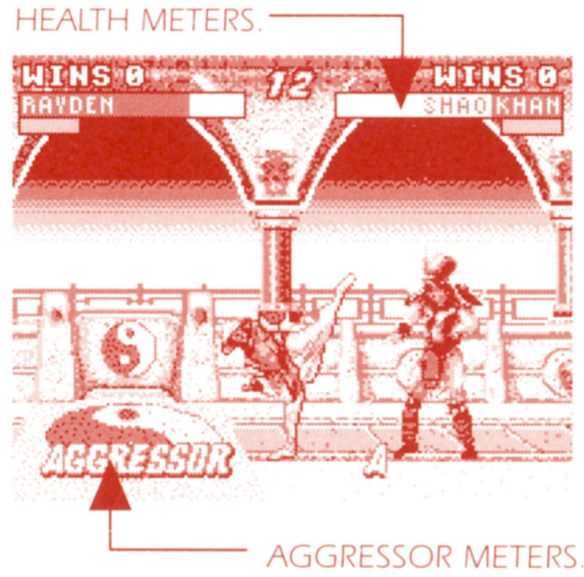
Each Warrior begins each round with 100% health, as reflected by the meters at the top of the sreen. Health diminishes with each blow taken.

The amount that Health is reduced depends on the type of hit delivered and whether or not it was blocked. When a Warrior's Health Meter runs out, he/she is knocked out, and the round goes to the opponent.

If the time is up before either Kombatant is knocked out, the Warrior with fewer injuries is declared the victor. The first Warrior to win two rounds takes the match and moves on to the next opponent.

AGGRESSOR MODE

At the lower part of the screen, an Aggressor Meter will build up as you land more and more hits on your opponent. Keep an eye on the meter. It grows faster if your opponent blocks attacks. When the meter is full and reads "AGGRESSOR," you'll be much stronger and will inflict heavier damage on your opponent.



THE CONTROLS

◄► Moves the Kombatant Left/Right. ▼ makes the character Krouch. ▲ makes the character jump. ◄◄ or ►► makes the character run.

Block

In addition to the basic moves (punches and kicks), all of the Mortal Kombat Warriors possess expert special moves. To become a superior Warrior, skilled enough to win the title of Grand Champion, you, too, must learn them. Experiment with various D-Pad and button combinations to find these Special Moves.

Additionally, you may "chain" certain attacks together to create "combos." These are several attacks that occur very quickly. They can be quite devastating against an opponent. Try experimenting with different button presses to create different "combos."

VS. KOMBAT

You may play Mortal Kombat Trilogy directly with a human opponent if you wish. To do this, you MUST have the optional compete.com cable (which is available directly from Tiger Electronics). Then follow these steps:

1.

Connect the compete.com cable to the com.port of your game.com.

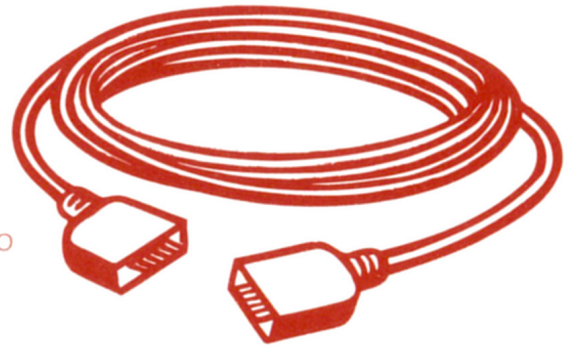
2.

Connect the other end of the cable to your opponent's game.com.

3. 
   You EACH need a Mortal Kombat Trilogy cartridge. Make sure your carts are inserted in your game.com units.

4. Turn both game.com units ON.
5. Each player should select the Cartridge icon on the game.com Main Menu screen. Then select the Mortal Kombat Trilogy cart.
6. When the Mortal Kombat Trilogy Main Menu screen appears, both players should choose VS. KOMBAT. The player that presses VS. KOMBAT first will appear on-screen in the Player 1 (left side of the screen) position.
7. Each player then selects which character he/she would like to play as. When you are happy with your choices, each player should press the **"A"** button.
8. Now, FIGHT!

You need the compete.com cable to play one-on-one with your friends



OPTIONS:

If you touch OPTIONS on the Mortal Kombat Trilogy Title screen, you will be taken to the OPTIONS screen. Using the menu, you will be able to change the options that will affect your game.
